
BARBOUR, STOCKWELL & Co.

MANUFACTURERS OF MATERIAL & SUPPLIES FOR STREET RAILWAYS.

Iron Founders AND Machinists.

205 BROADWAY.

Cambridgeport, Mass. Dec 4 1891

Hon. A. B. Alger Mayor.
City Hall
Cambridgeport Mass.

Dear Sir

In our business we have a great deal of heavy material that is bought and sold by weight, and we find it necessary that we should have a sworn weigher at hand to attend to the weighing of the same. We request that William L. Dudey residing at 38 Fremont St. and employed by us in our office be appointed to serve at our factory #205 Broadway.

Yours respty
Barbour Stockwell and Co
