Hon. Charles H. Thurston,
Mayor,
Cambridge, Mass.

Dear sir:

Your communication of the 18th inst., in relation to the transfer of laborers from the Sewer to the Water Department, received the consideration of the commissioners at their meeting yesterday, and in view of the peculiar circumstances of the case, and the fact that there is not a sufficient list of laborers registered for service in the Water Department, the commissioners have voted to authorize the transfer, provided the names of the laborers transferred are reported to the commissioners, with the nature of their employment.

When the transfers are made, kindly make this report, and oblige.

Yours very respectfully,
Warren P. Dudley
Secretary.
