Cambridge December 4th 1879

To his Honor J. M. Hall
Mayor elect of the City of Cambridge

Dear Sir.

If you will allow me to make a suggestion in regard to the office of Milk Inspector which I hereby resign, my resignation to take place January 1st 1880. I would respectfully call your attention to the propriety of appointing as inspector of milk the "Health Officer. The subject of the milk supply of the city is a matter that so nearly concerns the health of the people that it seems to me that it should be under the control of the board of health and in no way can it be brought so readily under their control as by appointing this officer to that position.

Yours Respectfully
J. K. Shaples
