To His Honor, Mayor Alger

Dear Sir—

Since I saw You on Tuesday last, I understand that Wm Coveny is to withdraw his name as a candidate for Registrar of Voters. In fact he has to given it out here in this ward. Such being the case, I hope you will place my name in nomination for the position and if you do so I have not the slightest doubt but that I shall be confirmed. I am pretty sure to give satisfaction to everybody in Ward 3, and I am very well known in the other wards, I think my nomination would be favorably received; In fact many of my friends outside of this ward have spoken to me regard to my candidacy for the position. I was

Daniel P. Laughnessy

talking to Mrs. Frank Fitzpatrick since
I saw you last. She told me that he
was speaking with you and he wishes me
to say from him to you that he
would like to have me get the place.
I would call again to see you but
I do not wish to annoy you or take
up any more of you valuable time in
this matter. The reason I trouble
you this time is that so many of
my friends are coming to me every day
asking me if I am not to get the
position, many thinking me to be
fully as capable of performing the duties
of the Office as any of the other gentle-
men mentioned for the place. Hence I
hoping that you will consider me
favorably I remain,

Yours Truly
Daniel B Shaughnessy

Mayor, City of Cambridge

Dear Sir:

I am requested to recommend to you Daniel B. Shaughnessy of this ward for appointment to the office of Registrar of Voters on the supposition that Mr. John W. Corney is not a candidate. Mr. Shaughnessy is well qualified for the position and his appointment next to that of Mr. Corney's will give by far the most general satisfaction in this ward.

Very truly yours Obedient Servant

J. O'Brien
