THE BOSTON HERALD,

Boston, Oct. 2nd 189 1

Hon. Alpheus B. Alger
Mayor of Cambridge.

Dear Sir:

This will introduce Miss Mary A. Bradley, a graduate of the "Harvard Annex", whom I spoke to you about today. She is very anxious to secure a position as teacher in the Cambridge High School and I feel warranted in saying that if she is successful she will prove a decided acquisition to the corps of teachers.

If you will interest yourself in her behalf I shall consider it a personal favor and shall be under obligations to you.

Sincerely Yours. John F. Meany.
