Dear Sir/Madam:

The Modification of Final Judgment in United States v. Western Electric Co., et al., Civil Action No. 82-0192, requires the separation of the facilities, books of account and personnel of the existing Bell System companies pursuant to the Plan of Reorganization approved by the District Court of the District of Columbia on August 5, 1983.

New England Telephone and Telegraph Company hereby advises that certain of its assets occupying the public ways/private property within your jurisdiction are required by the terms of the Decree to be divested and transferred to AT&T Communications of New England, Inc., a New York corporation having its principal place of business at 32 Avenue of the Americas, New York, New York 10013.

The contact person for AT&T Communications of New England, Inc. is:

Mr. Helmut Lutz, District Engineer - REO
440 Hamilton Avenue, Room 700C
White Plains, New York 10601
Tel. No. (914) 328-2248

Said assets occupy the public way/private property by virtue of the following instrument(s):

Grant of Location dated 3-7-74 recorded in Location Orders Book 17, Page 6 (MH 26/512C). All other assets placed under this grant are being retained by New England Telephone.

Kindly note your records of the change in ownership of these assets effective at the close of business on December 31, 1983.

Very truly yours,

A handwritten signature, likely of a representative of New England Telephone, written in ink.
