Recommending
J. B. Forristall

June 1 1891

Hon A. R. Alger,
Mayor.

My dear Sir,

Departing from a very well established rule I desire to say a favorable word to you relative to Mr. J. B. Forristall, whom I appointed, about nine months ago, as a Special police-man, within the Civil Service.

He has since then, I believe, been very regularly engaged on police duty within the department, and proved a very discreet and efficient officer.

Permit me to say that his appointment to the force, when eligible would give me much gratification.

With kind regards, I am,
Very truly, Yours,
Henry H. Gilmore
