A slight description of the four estates not represented in the accompaning petition

1st commencing at Clark st. 160 & 162 the only ones that are not completed between Clark and Winsor St owned by Alexander McGeoch about 50 ft curbed, some years since Messrs Kemp, Anshelm & Harris offerd him five dollars each, he replied that he did not like that way of doeing bruiness

2d 172 owned bey Francis Robins who has ben offerd ten dollars to sign the petition, does not want his walk bricked that it would damage the estate soo also that he does not wish to beg, but has money to pay for all that he wishes, about 25 ft uncurbed.

3rd 174 & 176 the Harlow estate uncurbed about 100 ft

4th The Samson estate which is well known with the possible exception that it is to remain as it is until the decease of each and all the children of the late Rufus Samson.

I think that I am correct in the above explination, if not I would be grateful to be corrected

Respectfully
