Boston, June 28th 1892.

Hon Alpheus B. Algr
Mayor of Cambridge
Dear Sir

Your favor of the 27th inst. is received and noted. In this you request my permission that you may nominate me as the one from ward 5. on a Committee of one from each ward to consider the subject of Parks for Cambridge.

I think this a highly important matter in regard to the future standing and prosperity of our City. and I am glad that steps are being taken to give the subject the consideration its importance demands.

Situated as I am. and have been for a long time. devoting much of my time. and such ability as I may have to the interests of Cambridge. I do not feel justified in taking on any more public duties -

Thanking you for your kind remembrance and preference I remain

Yours very truly
C. W. Kingsley
