ASST. ASSESSOR:

Francis J. McGuigan.
Ward 11.

'Mayor William T. Brooks'-

Honorable Dear Sir,—

I wish to make application to you for appointment to an assistant-assessorship of Ward Eleven. I have always been a resident of Cambridge.

My education was received in the schools of Cambridge including a high school course. Afterwards I took a special course of two years in Boston College.

I can furnish satisfactory recommendations both for character and ability. One or two intimate friends of yours are going to speak to you in reference to my application.

Wishing your Honor a most successful administration in office, and hoping that you will be able to give me the desired appointment I am

Yours faithfully,
Francis J. McGuigan, Jr.

24 Middlesex St.,
No. Camb.

Cambridge Mass.

April 5/09

Hon. William A. Brooks

Mayor.

Your Honor

I take this opportunity to extend to you my heartiest congratulations on your most successfull inauguration as mayor of our City, and I wish you good luck and the best of health for the coming year, so as to be able to surmount all the obstacles that may appear in the way of your giving the City a good, sound, business like administration which you are well qualified to do.

Now Your Honor I am going to ask for a position under you, and it is the first one I ever asked for, but they say that circumstances alter cases, so circumstances compel me at the present time to seek more work, which means more money, and as this work is along the lines that I have worked for years and am doing now, I feel as if I could fill the position to your satisfaction and also to the best interest of the City. I would like the Assistant Assessorships of Ward 5, if you are going to make a change, Now your Honor dont. think for a moment that I wish to embarass you any, I do not, you will have my heartiest co-operation in your undertakings as mayor that I can give, no matter what you do in the matter of my application

Wishing you again a most successful administration and also the best of health.

I Remain

Yours Respy.

Hon. Wm. H. Brooks, Mayor,
Cambridge, Mass.

Honorable Dear Sir:-

I take the liberty of addressing you these few lines to ask for your careful consideration of my candidacy as Assessor from Ward 4.

Last year there was more or less difficulty in the selection of an Assessor from the above Ward, to fill the place of my late Father (Patrick J. White) who held said position for many years, finally terminating in the office being left vacant and in consequence, the Ward had to be gone over by the other ten Assessors, with the result that some 300 names were dropped from the list due to inefficient canvassing.

I have always resided in Ward 4, and believe I am fully as well qualified, if not better, than either of the gentlemen who are seeking the office.

My name now lays on the table as an appointee of your predecessor, Ex Mayor Wardwell, and I trust that in making up your list of Assessors that you will see fit to let my name stand.

I can respectfully refer you as regards my character ability, etc., to J. Edw Barry and Edw J. Brandon City Clerk.

With best regards I remain

Respectfully,

Chas A White
