~~upon~~ ~~me~~ favor if you can contract
any of this to dealers in
this city with satisfactory
evidence to convict & I will
be most happy to aid you
by reciprocating. —
As this has never been
any attempt before to regulate
this traffic it will require
pretty vigilant & persistent
efforts on the part of the
prosecuting officers to do the
work effectively.

Yours Truly

H L Bowker

OFFICE OF

Dr. H. L. Bowker & Co.,

Manufacturing Chemists,

132 Milk Street.

Dr. H. L. Bowker, { STATE ASSAYER FOR MASSACHUSETTS. INSPECTOR OF VINEGAR FOR CITY OF BOSTON.

Boston, Aug 2 1880

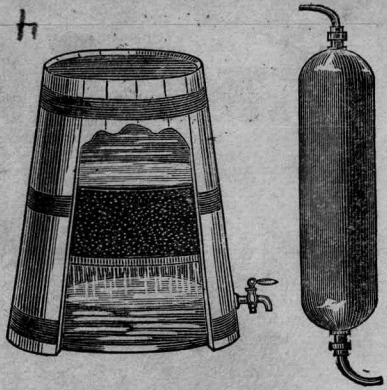
Mr John H Farrell Esq
Cambridge Mass

Dear Sir

I am informed that you have
been appointed inspector of vinegar
for the City of Cambridge —
If so I desire your coopperation
in this matter as I hold
the same appointment for the
City of Boston.
Since taking hold of this matter
I find the City flooded with
some of the vilest stuff

sold under the name of
vinegar; some of it. so bad
as to be dangerous to life. I
have in large quantities & much
that would be very injurious
to health.
Since the doctors have been
satisfied that the law would
be enforced they have sent
effects also out of town
beyond my jurisdiction to avoid
punishment. & I have reason
to believe that your City will get her
share if she has not already.
As I desire to eradicate all such
stuff from the market - you
will confer upon me a great

h



Liquid Purifier.

DR. H. L. BOWKER & CO.,

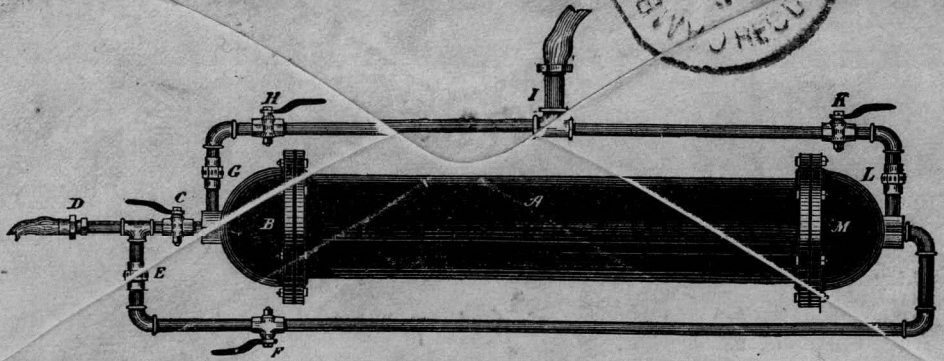
132 Milk St., Boston, Mass.

BOSTON AUG 2 6PM MASS.

John H Farrell Esq
Inspector of Wires
City Hall
Cambridge Post
Mass

DR. BOWKER'S

DOUBLE WATER PURIFIER AND FILTERER.



The most perfect Apparatus for Filtering and Purifying Water ever invented. It does what has never been accomplished before Filters Water, and at the same time Purifies it, removing the most objectionable and dangerous properties—its **soluble** impurities. For full particulars send for Descriptive Circular.

DR. H. L. BOWKER & CO., 132 Milk St., Boston, Mass.
