

OFFICE OF THE MAYOR

December 16, 1930

To the Honorable, the City Council

With reference to your order dated December 9, 1930, requesting me "to inform the City Council why lamp orders presented by members of City Council, passed by the City Council and approved by the City Electrician, since January 1930, have not been installed", I am writing to advise you that the city electrician was out of the city last week; that I have conferred with him in regard to this matter; and that he is preparing some data with reference to the same, which has not yet been completed.

As soon as I receive the above mentioned data from the city electrician, I shall communicate with you further.

Yours respectfully,
