RICHARD C. ROSSI
Deputy City Manager

To The Honorable, The City Council:

In response to Awaiting Report Item Nos. 3 and 11, regarding the status of the East and West Cambridge Youth Centers, please be advised of the following:

East Cambridge Youth Center - Since bids were rejected in the Fall of 1995 for the East Cambridge Youth Center project, the City, the project architects, and the community have met and discussed design changes in order to close the gap between the project budget and the rejected construction bid price of \$4.3 million.

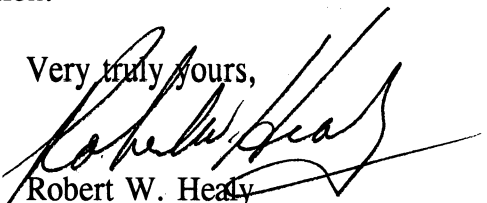

New bid dates have been advertised as follows: Sub-trades will be opened on February 15, 1996 at 2:00 p.m.; General Contractors will be opened on March 7, 1996 at 2:00 p.m. It is anticipated that a contract will be awarded in March and construction will commence in April. Construction is estimated to be up to 15 months with an anticipated opening by September, 1997.

During this redesign phase no programmatic changes were made, and the community has reviewed and discussed design changes with the City and Architect.

West Cambridge Youth Center - With the opening of the new Haggerty School, the opportunity for expanded programming for West Cambridge youth has been made available. In addition to the on-going small-scale youth center which operates out of an apartment made available by the Cambridge Housing Authority, we will now be offering expanded educational and recreational programs out of community space in the Haggerty School. In addition, a pre-teen recreational program is offered at the Tobin School one night per week by West Cambridge Youth Center staff. This expansion of programming will significantly increase the resources made available to West Cambridge youth (see attached schedule).

To date, two community meetings have taken place in West Cambridge at which the topic of a new West Cambridge Youth Center was discussed. A planning group was formed to explore such topics as needs assessment, possible sites and outreach. The Tobin and Haggerty Neighborhood Councils will be holding a joint meeting in the near future to hear information gathered by those developing needs assessment information.

Very truly yours,

Robert W. Healy
City Manager
