Mrs. Richard H. Wallace

To the Cambridge City Council
Cambridge, Mass.

Ladies and Gentlemen,

Why is it that streets in
Cambridge are not properly marked
by their names? In the region of
Magazine Street — I wish you good
luck trying to find your way
around that neighborhood! — 80%
of the signs say "One Way".

How about a few signs saying
"Magazine Street"? Especially on Magazine
Street!!

Sincerely yours,

—
