Hi Michael,

Hope this note finds you and yours in good health and happy!

Now that Bill and Judy's son, Liam, is extending his community, I am concerned that the 500 lot on Haverhill St. may have been by-passed in the last thirty years for updating/renovation.

I have shared my concern with Paul Ryder and, at his suggestion, have written to him and requested his "committee" order and then implement a proposed renovation of the Haverhill St. 500 lot. He relates that this Haverhill St. 500 lot received attention in "82; however, my best recollection is the late 60's -

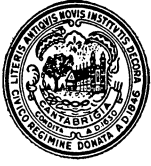

In my note to him, I gave him the tip of the "Award" for the up-dating of Cambridge Community, Pigeon St., Durbey St., and Hancock St. 500 lots to name but a few. Mr. Ryder mentioned that the playground on York St. was being up-dated. However,

is from 7:00 /  
New or a V, on.

Are Judy and Bill are on stand about  
They find that the Haskell St. To T lot  
up dating is on site made in any.

Hope your awareness of this concern  
may make the reality of an up-dated  
to T lot on Haskell St. a profuse pleasure.

Sincerely,  
Bill & Brenda
