To the Honorable, the City Council:

Enclosed please find a copy of the final draft of the Harvard Square Comprehensive Policy Plan. We most earnestly commend it to you for your serious and open-minded consideration in the months immediately ahead and stand ready at any time to discuss it with you individually or collectively as you may so request.

This document reflects the very serious efforts and judgments of literally scores of Cambridge residents who have participated in many ways in its preparation, refinement and completion, as well as invaluable assistance from the staff of the Office of Community Development and a variety of professional consultants.

Very truly yours,

Robert W. Healy
