

Boston, Mass., Nov. 9, 1899.

To the Honorable, the Mayor & Aldermen,
of the City of Cambridge.

Gentlemen:-

I have been notified to appear at the hearing in relation to the taking of land, for the purpose of widening Inman Court from Inman Street to Jones' Alley.

It is impossible for me to appear, as I am called away on business.

I desire to say - that I do not want to be considered as one that would stand in the way of any improvement that is a public necessity; but, as I understand it, this widening will necessitate the tearing down of part of my dwelling, which - I, naturally -object to, unless I receive fair compensation for the damages incurred.

Yours respectfully,

S. J. Carroll
