Mr. Joseph Connarton
City Hall
Cambridge, Mass. 02139

Dear Mr. Connarton:

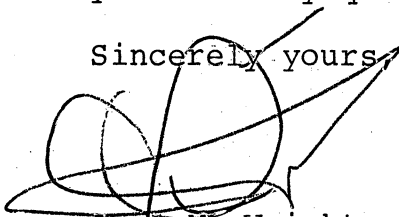

As you requested, the following is a brief outline of the events for which I am requesting a permit from the City of Cambridge, to be discussed at the City Council meeting on Monday, June 8, 1987.

On Saturday, June 13, the Harvard Square office of BayBank Harvard Trust would like to sponsor a "birthday party", celebrating the tenth anniversary of BayBanks' ATM network. This party will be held from 10:00 a.m. through approximately 12:00 noon, and is geared towards customers of the bank.

The party itself will be held inside the Harvard Square office, with the exception (with your permission) of the musical entertainment. This will be provided by Everett Longstreth and The Boston Name Band, a five-piece ensemble specializing in jazz and swing music. They would be performing on the sidewalk directly in front of the bank, during the two-hour period previously mentioned.

I greatly appreciate your consideration, and that of the City Council, in this matter. Please feel free to call me at 661-3300, extension 551, should you have any questions.

Sincerely yours,

Anne M. Wright
Bank Marketing Officer
