CITY OF CAMBRIDGE.

In Board of Aldermen, March 27th, 1894.

The Joint Standing Committee on Roads and Bridges

which was authorized to select the style of the Urinals to be set up by the Water Board in various locations, by order of the City Council,

Reports

Recommending the adoption of the style of Urinals as shown upon the accompanying blue print plan marked in red pencil, "A" March, 1894.

Your Committee further recommends that the precise locations of the Urinals be as follows, viz:-

Rendall Square: in rear of watering trough.

Lechmere Square: in centre of square opposite East street.

Brattle Square: in present location of arc electric light pole. The pole to be taken out and the light to be put on top of the Urinal.
