CITY OF CAMBRIDGE • EXECUTIVE DEPARTMENT

Robert W. Healy, City Manager Richard C. Rossi, Deputy City Manager

May 21, 2001

To The Honorable, The City Council:

I am hereby requesting an appropriation of \$45,000 in the General Fund of the Fire Department Other Ordinary Maintenance Account from Free Cash. Funds will be used to cover shortfalls in energy for all eight fire stations, diesel fuel for all fire apparatus, and equipment maintenance costs which include replacing a fire prevention car transmission, Engine 4 broken suspension system and a hot water tank at fire headquarters. Energy costs have escalated this year and we now have converted the final station to natural gas operation. The increased cost of heating with gas is offset by the reliability and cleanliness of gas fired systems. The equipment listed has all failed within the past two weeks and was not foreseen or predictable.

Very truly yours,
