To the Honorable, the City Council
of the City of Cambridge:

The undersigned respectfully pray- represent that

they are property owners on the easterly side of Tremont Street;
that the property on said easterly side is drained into an old
sewer which empties on the Somerville end; that said sewer is
inadequate for the purposes of caring for the property on said
easterly side; they therefore respectfully pray that permission
may be granted to enter their respective properties with the
sewer more recently constructed on the westerly side of said
Tremont Street. The portion of Tremont Street designated above
is from Cambridge Street to the Somerville line.
