POLLANDER - COLLINS BENEFIT

On Thursday August 7, 1997, Cambridge Electric Light Company suffered a tragic accident. The accident took the life of cable splicer Douglas Pollander and left cable splicer John Collins in Massachusetts General hospital with burns over much of his body.

The employees of Cambridge Electric Light Company are holding a benefit to help John and Doug's family through this most difficult time. Please help us to help them. An accident of this type makes us all stop for a moment and realize just how much we have to be thankful for and how quickly it can all be taken away.

The employees would like to invite you, your family, your coworkers and friends to share with us a special evening to show our support. The benefit will be held at Saint Anthony's School Hall, 43 Holton Street, Allston MA on Saturday September 27, 1997, from 8PM to 1AM. Tickets for the evening are \$10.00 and can be obtained from any Cambridge Electric employee or by contacting Jim Carmichael at 617-225-4808 extension 4110 or Brian McDevitt at extension 4195.

Donations may also be made directly to the Pollander - Collins Family Fund c/o Peoples Federal Savings Bank, 279 North Harvard Street, Allston, MA 02134.

On behalf of the Pollander's, Collins' and all the employees of Cambridge Electric Light we look forward to seeing you and would like to thank you for all your support. It is truly appreciated....
