September 19, 1980

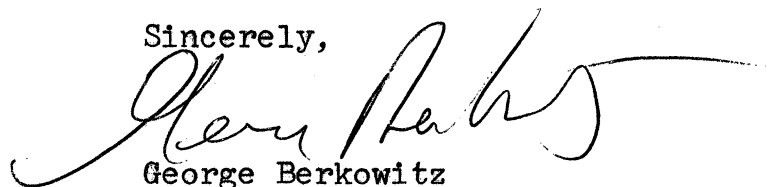

Mr. Paul E. Healy, City Clerk
City of Cambridge, City Hall
Cambridge, Massachusetts 02139

Dear Mr. Healy:

In reference to the building at 237 Hampshire Street, all interior partitions and walls are to be removed. A new roof is to be installed. A new wall on the left-hand side of the building is to be built. The brick veneer on the front is to be replaced. The vacant space on the left of the building is to be paved over.

We intend, as a start back into Cambridge, to open a very fine fish market. Eventually we hope to reopen our restaurant. My family has been in Cambridge for almost seventy years. We like Cambridge. We are coming back.

Sincerely,

George Berkowitz
