From Richard Horgan, Planning Aide *RH* **Date** February 24, 1976
Subject Councillor Velucci's Council Order Seeking to Close
the Brattle Square Area to Traffic on Saturdays.

The Planning Board has had me contact several organizations regarding this order. Rather than comment on the order themselves, the Board feels that responses from the organizations concerned would be more appropriate. These are enclosed.

(The Harvard Square Task Force also replied in the negative but their communication was misplaced. The Police Department's opinion was solicited but no reply was received.)
