Dear Sheila,

Thanks for putting in a council order to recognize the work these students and their teachers and advisors have done this year to help our urban forest and to educate others about the importance of trees. There will be Arbor Days in local elementary schools this spring with the winners of the Cambridge Tree Scavenger Hunt Contest announced and the biggest trees in the neighborhood.

Joel Pollack Harvard student and AmeriCorps with Summerbridge

Greny Bartelus Greny is helping to design the Cambridge Tree Scavenger Hunt Contest to help us identify good examples of the Cambridge Street trees in every neighborhood in Cambridge, and to also help us identify the biggest, most unusual and most important trees in every neighborhood. Winners will be announced at the Arbor Day celebrations in local schools this spring.] 18 Walden Square 02140 354-5587
