PRESS RELEASE

DEPARTMENT OF
TRAFFIC & PARKING

George Teso
Director

The City of Cambridge will continue its Street Cleaning Program through the month of December, that is if the weather permits us to sweep. This is due to the fact that there are still many streets in the City cluttered with leaves and we would like to remove them before the snow falls.

All the Departments involved in this Street Cleaning Program greatly appreciate the wonderful cooperation received in the past by the people of Cambridge and we are again asking you to assist us during the month of December.

Please watch for the signs posted on your street telling you the day that we will be sweeping and cut out the monthly schedule from the newspaper so that you won't forget the day.
