Dear Sir:

Referring to your letter of November 24,
with copy of order adopted by the City Council and ap-
proved by His Honor, the Mayor, requesting that the Boston
Elevated Railway take steps to better light the northerly
side of Harvard Square structure, we have given the matter
study and while we believe that the City should furnish the
additional illumination, we desire to co-operate and as the
cost is not excessive we will provide the additional illumina-
tion desired.

, Very truly yours,

General Manager.
