To the Honorable, the City Council:

With reference to recent order of your Honorable Body relative to the anti-noise ordinance, I should like to advise you that our Law Department is currently at work on this particular ordinance. A number of other City agencies as well as private groups are also involved in this same matter.

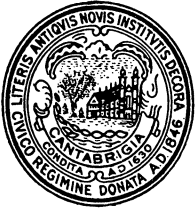

Our Planning and Development Department and the Cambridge Conservation Commission are working in conjunction with the Law Department on this matter. It is expected that a final report will be available within one month, and upon receipt of this report, it will be transmitted to you.

I know that your Honorable Body recognizes that this is a complex problem and a reasonable amount of time is necessary to properly research the matter. Mr. Edward D. McCarthy, our Acting City Solicitor, is in possession of some material pertaining to this matter from the National Institute of Municipal Law Officers and for your information I enclose not only his communication to me but also a photocopy of the material that he has obtained from NIMLO.

Very truly yours,

John H. Corcoran
