

City of Cambridge

Massachusetts

In City Council, February 8, 1921.

RESOLVED:—

That the public convenience and public health require that a common sewer should be laid in Fayerweather Circle, a private way so-called, and that a right of way fifteen (15) feet in width through the middle of said Circle should be taken for such purpose and bounded and described as follows:

Beginning at a point in the westerly line of Fayerweather Street 150 feet southerly from the division line between the land formerly of Carrie W. Smith and land of Alfred C. Potter, at the northerly line of Fayerweather Circle; thence turning by an angle of 90 degrees and running westerly along the said northerly line of Fayerweather Circle and said line extended about 190 feet; thence southeasterly about 17 feet to a point 12 feet southerly from the line above described as 190 feet long; thence running easterly parallel to and 12 feet southerly from the line described as 190 feet long, about 178 feet to the said westerly line of Fayerweather Street; thence northerly along the said westerly line of Fayerweather Street 12 feet to the point of beginning. Containng about 2208 square feet.

The above described parcel of land is shown upon a plan entitled: "Vassal Lane Sanitary Sewer Distrcet" and is on file in the office of the City Engineer, Cambridge, Mass., drawn by L. M. Hastings, City Engineer of Cambridge, dated March 9, 1915.

ORDERED:—

That due notice be given to the owners of land abutting on said private way, between the points before mentioned, and all other persons interested, in the manner prescribed by law, that this Board intends to take a certain parcel of land, bounded and described above, for the purpose of laying, making and maintaining a common sewer therein, and that Tuesday, March 1st, at 8:30 P. M. and the Council Chamber, City Hall, are assigned as the time and place for hearing any objections which may be made thereto.

Adopted by the affirmative vote of ten members.

FREDERICK H. BURKE,

City Clerk.

Executive Department, Feb. 11, 1921.

City of Cambridge

In City Council

April 26, 1921.

WHEREAS:

It is adjudged by this Board to be necessary for the public convenience and the public health that a common sewer be laid in Fayerweather Circle and that land should be taken for such purpose, and WHEREAS:

Due notice has been given of the intention of this Board to take such land, and a hearing had thereon according to law, it is therefore hereby

ORDERED:

That a strip of land fifteen feet in width through the middle of the following named street or way be and hereby is taken for the purpose of laying, making and maintaining a common sewer therein, namely:-

Beginning at a point in the westerly line of Fayerweather Street 150 feet southerly from the division line between the land formerly of Carrie W. Smith and land of Alfred C. Potter, at the northerly line of Fayerweather Circle; thence turning by an angle of 90 degrees and running westerly along the said northerly line of Fayerweather Circle and said line extended about 190 feet; thence southeasterly about 17 feet to a point 12 feet southerly from the line above described as 190 feet long; thence running easterly parallel to and 12 feet southerly from the line described as 190 feet long, about 178 feet to the said westerly line of Fayerweather Street; thence northerly along the said westerly line of Fayerweather Street 12 feet to the point of beginning. Containing about 2208
