Cambridge Sept. 10. 1870

To His Honor The Mayor

And The Board of Aldermen.

Your undersigned
attest on "Spring St" respectfully repre-
sent to your Honorable body. That great
injury will be done to our estate, if
the trees on the South side, are removed.
We therefore pray, that
Edge Stone, as now set at grade, be allowed
to remain, and the proposed new setting
be made on same line - This course will
save to us our beautiful shade trees - and
a sufficient width of street can be obtained
to answer all purposes of improvement!

In Board of Aldermen, Sept-7th 1880

The Standing Committee on Roads & Bridges to which was referred the petition of Geo W. Pifield & others, setting forth the injuries that would be done to their estates, if the trees should be removed on the South side of Spring Street, & praying that the edgestones be so placed as to include the trees, your Committee would respectfully

Report that on visiting the premises they find a very uniform line of large trees on the South side of Spring Street between Third & Fourth Streets standing about one foot beyond the proper line of the edgestones & they recommend the adoption of the accompanying order
