Attention: Ms Drury:

In the light of recent events at Harvard, I would like the City Council to consider restricting hard alcohol in Harvard Square, and to turn back the hours of drinking to ten P.M. This I feel will help regain some order in the area, and reduce the incidents of violence, now so prevalent and out of control. Please make an appointment for me to address these issues on the non-consent agenda, at the earliest Monday night meeting.

Sincerely

Daryl Janes
