Mr. Joseph E. Connarton
City Clerk
City of Cambridge
Cambridge, MA 02139

Dear Mr. Connarton:

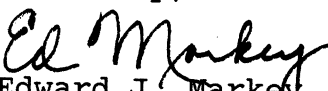

Thank you for sending me a copy of the resolution the City Council recently passed on federal spending for defense and public housing.

I would greatly appreciate it if you could let the members of the Council know that I share their concerns about the need to restrain defense spending and to increase federal support for affordable housing. During the coming months I intend to work for both objectives.

I would be very much interested in seeing the results of the study called for in the resolution when it is completed.

Again, thanks for getting in touch. Please give my regards to the members of the City Council.

Sincerely,

Edward J. Markey
Member of Congress
