Whereas the License Commission has been in the practice of extending entertainment licences on New Year's Eve for 2 a.m. to 4 a.m. closing times,

Whereas this is very little, if not marginal benefit that any establishment can expect to gain from being open this additional two hours;

Whereas problems from clubs can spill out into residential neighborhoods, and the license commission had one hearing on this matter earlier

Whereas the potential for negative activities and its potential for negative effects on the neighborhoods far outweighs the benefits of two hours of extra opening

Whereas the tone in the Greater Boston area as established by First Night is for a healthy, alcohol free environment, with most activities ending soon after midnight.

Therefore be it resolved that the Cambridge City Council go on record recommending that the License Commission not allow 4 a.m. closing on any night of the year, and that the License Commission set guidelines for the closing of all clubs at 2 a.m. on New Year's eve;

Be it further resolved that the City Manager be and is hereby requested to transmit and copy of this recommendation to the License Commissioner, with a response due back before May of this year.
