Remembering William R. Godshalk

From: Faith Whittlesey *FW*
To: Members of the Board of Directors, Alumni of the
Young Leaders Conferences & Friends of the
American Swiss Foundation
Date: September 24, 2001

As many of you know, we rely on a group of volunteers to help with our Annual Fall Gala Dinner. We have been blessed over the years by exceptionally loyal and capable hosts and hostesses to check in our guests and direct them to their seats, and to assist in extending courtesies of the Foundation to speakers and dignitaries in attendance. Some of these remarkably helpful and congenial young people have assisted us for several years.

We regret to inform you that one of these volunteers is missing in the September 11th World Trade Center tragedy. His name is **William R. Godshalk**, age 35, and he was Vice President of Institutional Sales at Keefe, Bruyette & Woods, 2 World Trade Center, 89th floor.

Expressions of condolence may be sent to his
parents:
