Mr. Oscar Roger Muriel

The Cambridge Housing Authority and CASCAP, Inc. would like to thank the Cambridge community for its support of the Alternative Housing Voucher Program.

The Alternative Housing Voucher Program was established by the Massachusetts Legislature in 1995 to improve housing opportunities for low income, non-elderly persons with disabilities by providing them with rental subsidies for use in private housing.

Since this program was implemented in Cambridge two years ago, 79 individuals have obtained safe, affordable housing due in large part to the support of property owners, realtors, elected officials and community groups.

*Special thanks to the University Park Hotel at MIT for their generous support of today's event.*
