Dear City Councillors:

Jobs for Bay State Graduates, Inc. (JBSG), a school-to-work transition program operating at your local high school, offers seniors, whose plans are to enter the labor force directly after graduating, the necessary guidance to seek and to retain a job. One phase of the instructional aspect of JBSG is a Career Development Conference at which the students enter competitive events directly related to employment skills. The Conference and the banquet that follows, help the students build confidence in themselves to begin a job search, for they interact directly with representatives from local businesses in a day-long series of work related events.

This years conference will be held on Monday, May 4, 1987 at the Sheraton Tara in Braintree, Massachusetts. A wine and cheese reception will be held for guests at 4:00 P.M. The banquet is scheduled to begin at 5:00 P.M. followed by the awarding of trophies and ribbons to the winners in each event. As a show of support for the young people of your community, we ask you to be present at the banquet and awards ceremony to bolster these local students as they are recognized for their efforts. Your attendance at this event will be viewed by the participants as a show of approval of their work and effort in preparing for both the conference and also their first work experience.

Please make your intention to attend the 1987 Career Development Conference of JBSG known by calling Holly Ormon at 434-5122 to make a reservation by April 10th. The cost for the banquet meal is \$15 which will help defray the cost for students who will be attending the Conference. Checks can be made payable to JBSG and mailed to 100 Federal Street, Boston, Massachusetts 02110.

Sincerely,

Jayne M. Happel
