THANK YOU

We are pleased to announce the start of construction for eight affordable apartments and a new Just-A-Start/Youthbuild facility on Cambridge Street. Thanks to each of the many lenders, donors, and friends who made this start possible.

Although we have begun construction, we are only at the beginning of our capital campaign. We ask those who are considering our financial requests to join this significant effort that will create permanently affordable homes for eight families and a permanent facility for the JAS/Youthbuild employment and training initiatives for out-of-school youth.

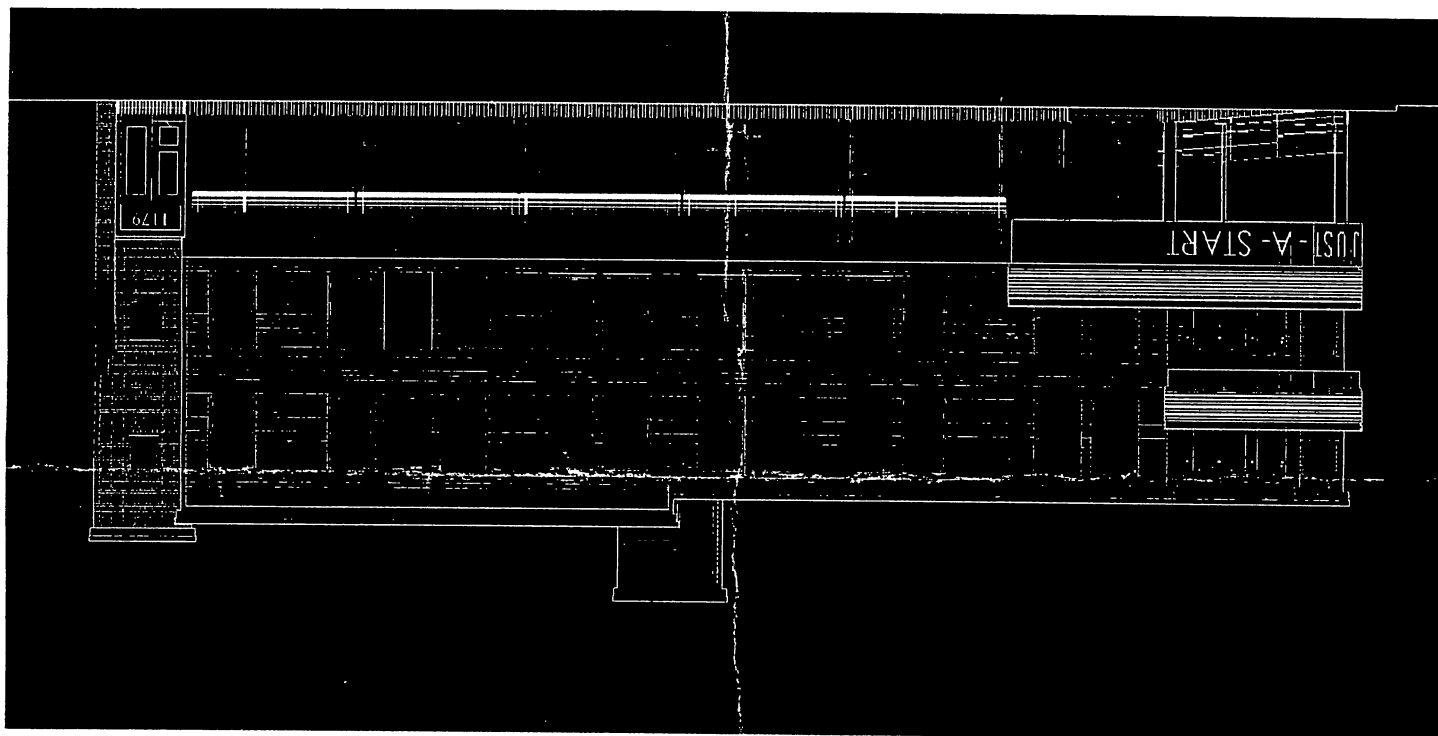

We hope you will join us to party and rejoice in the Fall of 2001 when the capital campaign and the construction are complete.
