MEETING NOTICE

On Thursday evening, April 27, 1978, the Rent Control Committee of the City Council will meet in the Council Chamber at 7:30 P.M.

The purpose of this meeting is to examine how Rent Control interfaces with other housing policies and programs within the City.

At the request of Councillor Wylie, Chairman of the Committee, I am requesting your presence at this meeting.

It should be noted that these are informational meetings geared to improving the Rent Control program, not to discussing the wisdom of having or not having Rent Control.

As such it would be helpful if you came prepared to make specific suggestions to how your agency could better relate to the Rent Control program and to mention what problems, if any, you can identify in this area.

We would appreciate it if you could condense your remarks to ten minutes, bearing in mind that the meetings are informal and that questions are often asked during a presentation.

Thank you for your assistance.

Very truly yours,
