To the Cambridge City Council:

On behalf of the Board of Directors of the Cambridge-Yerevan Sister City Association, I would like to express our profound appreciation for the City Council resolution in support of our collaboration with Yerevan, which Mayor Russell presented to us at our annual meeting on May 14th.

To receive the Council's congratulations at this time is particularly heartening, since we have done a great deal of work recently building support for a project called "Community Connections." This project, if funded, will involve the Cambridge Schools, Harvard University and Lesley College as well as many other schools, institutions and local businesses in sharing expertise in education and entrepreneurship with young professionals from Armenia. Not only will the visitors gain helpful experience, but the City of Cambridge will surely benefit from this project. We look forward to discussing with members of the City Council how best to make this happen.

Sincerely,

Suzanne Pearce
