Cambridge City Council
Cambridge City Hall
795 Massachusetts Avenue
Cambridge, Massachusetts 02139

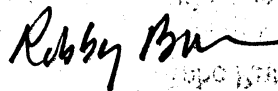

Dear City Council Members:

I am greatly honored that the Council recently adopted a resolution extending its congratulations to me on passing the California Bar Examination.

The resolution is especially meaningful to me not only because I have friends and family serving on the City Council, but also because the lessons I learned growing up in Cambridge helped me develop the work ethic, determination, and confidence that I needed to complete law school and pass the Bar Exam. From my Little League and Babe Ruth baseball coaches, to my teachers at Peabody, to my childhood friends, the people of Cambridge taught me to be passionate in my beliefs, actively express my opinions, and maintain a sense of community. For those lessons, I will forever be indebted to the City of Cambridge.

Thank you again for this wonderful recognition. I consider myself extremely lucky to have grown up in our city and will always be fiercely proud of my Cambridge heritage.

Sincerely,

Rob Born

Consent Communication #5

524

A communication was received from Rob Born, transmitting deep appreciation to the City Council for the resolution of congratulations on his passing the California Bar Exam.
