To The Honorable, The City Council:

In response to Awaiting Report Item No. 61, regarding the clean-up and enforcement of the vacant lot at Hollis Street and Massachusetts Avenue, Inspectional Services Commissioner Robert Bersani reports the following:

This lot was inspected by Inspectional Services on September 25th. The lot is fenced except for an opening on the Hollis Street. The lot is overgrown with weeds but there were no vehicles in the lot at the time of inspection.

The owner was contacted and directed to clear the lot of weeds and any debris and properly maintain it in the future. It was also requested that a chain be installed across the fence opening to preclude cars from parking on the lot. The owner stated he would have the lot cleared this upcoming weekend. An inspection will be conducted on October 2nd to verify compliance.

Very truly yours,
