

OFFICE OF THE MAYOR

CITY HALL, CAMBRIDGE, MASSACHUSETTS 02139

617-498-9090

TO: The Vice Mayor and the Honorable Members of the City Council
FROM: Mayor Alice K. Wolf *AKW*
RE: TASK FORCES
DATE: January 4, 1990

It is my intention to create, from time to time, mayoral task forces to explore an issue and make recommendations to the Mayor and City Council. I hope that these task forces will allow us to take advantage of the interest, wisdom, and creativity of our Cambridge citizens and community.

I hope to have your participation through a representative on these task forces.

Specifically, I expect to name soon a mayoral task force to review city finances, both from the budget and revenue perspective. You will recall that, at the time that Proposition 2 1/2 was passed, there was such a committee that made recommendations on city finances to the Council. With the impact that the present stalemate at the State House will have on City finances, this sort of committee can be of tremendous help to us.

I will look forward to receiving the name of a designee for the task force on finances from you.
