Re: Milton Street

Gentlemen:

Be advised that in front of the home next door to my home at 7 Milton Street there is a settling of the road caused by work performed by the Water Department of the City of Cambridge about one year ago. It seems that the street has settled in resulting in a very large depression, which can cause serious injury to pedestrians as well as motor vehicle traffic.

Thank you for your prompt attention in this matter.

Sincerely,

William J. Corkery
