COUNCILLOR DUEHAY
 VICE MAYOR BORN
 COUNCILLOR DAVIS
 COUNCILLOR GALLUCCIO
 MAYOR RUSSELL
 COUNCILLOR SULLIVAN
 COUNCILLOR TRIANTAFILLOU

- WHEREAS: The General Manager of the MBTA promised residents over a month ago that he would confirm in writing the authorization of overtime to install electric "plug-ins" at the new repair facility for trains at North Point, thus stopping the noise from trains idling while they wait for service; and
- WHEREAS: This loud noise from trains idling prevents residents from getting proper sleep and makes it difficult for them to use their outside yards in peace and quite; and
- WHEREAS: Some rumors and statements from officials prior to the meeting indicated that the "plug-ins" might not be installed until 1998; now therefore be it
- ORDERED: That the City Manager be and hereby is requested immediately to intervene with the General Manager of the MBTA to accelerate with personnel on overtime the installation of electric "plug-ins" which will stop the noise emanating from the repair facility at North Point which services diesel trains.

In City Council June 23, 1997
 Adopted by the affirmative vote of nine members.
 Attest:- D. Margaret Drury, City Clerk.

Duehay

Whereas the General Manager of the MBTA promised residents over a month ago that he would confirm in writing the authorization of overtime to install electric "plug-ins" at the new repair facility for trains at North Point, thus stopping the noise from trains idling while they wait for service;

Whereas this loud noise from trains idling prevents residents from getting proper sleep and makes it difficult for them to use their outside yards in peace and quiet;

Whereas some rumors and statements from officials prior to the meeting indicated that the "plug-ins" might not be installed until 1998;

That the City Manager be and hereby is requested immediately to intervene with the General Manager of the MBTA to accelerate with personnel on overtime the installation of electric "plug-ins" which will stop the noise emanating from the repair facility at North Point which services diesel trains.
