Dear Friends:

This will acknowledge your recent telegram concerning H.R. 5214, to amend and extend Sec. 312 of the 1964 Housing Act.

Please be assured I am well aware of the many positive benefits which flowed from the 312 program to Cambridge thus I will be keeping a watchful eye on H.R. 5214 which is presently pending before the Subcommittee on Housing of the House Committee on Banking, Currency and Housing.

As you may know, just last week I met with the Secretary of HUD, Carla Hills, to discuss many of the housing problems which are facing the metropolitan Boston area and specifically Cambridge.

I trust this information is helpful.

With every good wish,

Sincerely,

A handwritten signature in black ink that reads "Tom O'Neill". The signature is fluid and cursive, with the first name "Tom" and last name "O'Neill" clearly distinguishable.
