Cambridge City Council
City Hall
Cambridge, Massachusetts

Gentlemen:

The County Commissioners have asked me to thank you for your invitation to meet with them on Monday, September 17, 1973.

Unfortunately, they did not receive your communication until Thursday, September 13, 1973, and all of the Commissioners had already made other arrangements for the evening of your invitation. They also felt that since they are currently in the process of finalizing plans for the new courthouse, particularly on the parking problems, that it would be best to schedule a meeting for some time in the middle of November when they feel their plans will be complete. They have asked me to assure you of their sensitivity to the burden of the citizens of East Cambridge due to the physical location of the County Seat in their neighborhood.

Accordingly, the Commissioners would like to invite you to attend their regular Wednesday meeting on November 14, 1973, to discuss the particular problems mentioned in your order, and any other County issues of importance to you.

Very truly yours,

Kevin T. Crowley
Executive Assistant
Commissioner S. Lester Ralph
