

Cambridge, MARCH 13 1981

To the Honorable, the City Council of the
City of Cambridge:

The undersigned respectfully pray

Edwin Wright
63 Holworthy St.
Cambridge, Mass. 02138

To Whom It May Concern:

On February 9, 1981 about 8:30 A.M. I was driving my truck down Standish St. and ran into a pothole that I did not see, and continued on to the end of the street, where I took a right onto Vassal Lane, to Walden St. when the both wheels on the right rear to my vehicle flew off. I had to have Porter Square Chevrolet Garage tow my vehicle. I then went back to Standish St. to find the studs of the wheels near the pothole which was in front of #35 Standish St.

Enclosed is a bill I had to pay Porter Square Chevrolet Co. I was told to notify the City of Cambridge regarding this damage to my vehicle for reimbursement.

Respectfully yours,

Respectfully Submitted
