Dear Sir

I am much obliged
to you for your note informing
me of the proposed action
of the Committee on Sewers.
I suppose that we cannot
take any ~~of~~ the gravel until
the action of the City Council.
Will you please oblige me
by a line informing me
when this action will pro-
bably be ~~done~~ taken, and
with whom I should confer
as to the place from which
we are to take the gravel; and
other details. Truly yours
J. S. Thayer
