In Board of Aldermen, Sept 21 1870

Resolved
Ordered

That the Order passed by this Board dated July 14th 1870 directing the Superintendent of Streets to notify the Union Railway Company to repave between their tracks on Bridge Street, and three feet on each side of the same with "small blocks", it is understood that the Board will not require the Company to reject the larger blocks now forming the "sidewalks" in complying with the original Order

was intended to provide for the replacing of the head paving stones by block stones and that-
