To The Honorable, The City Council:

In response to Awaiting Report Item No. 53, regarding installing appropriate signage at the intersection of Rindge Avenue and Alewife Brook Parkway, Traffic, Parking & Transportation Department Director Susan E. Clippinger reports the following:

The Department investigated this intersection and found that drivers are generally using the right lane for right turns and left lane for left turns. This intersection is scheduled to be rebuilt as part of the railroad bridge construction. Once this work is completed, the Department will determine if additional signing or pavement markings are required and if so, will install it.

Very truly yours,

Robert W. Healy
